for our seven child care centres in Munich

## Make a difference with Joki!

### You can look forward to:

- a friendly work atmosphere where initiative and new ideas are welcome
- new, high-quality and work-friendly settings
- secure, long term position, either full time or part-time
- a well-established and proven educational concept
- educating and nurturing our children by using your mother tongue
- observing, discussing and documenting children's development
- developing daily activities for the children (i.e. morning circle, learning activities, accompaniment of free play and projects based on the group theme)

### We look forward to:

- educational qualification (N.V.Q level 3 in Early Years and Childcare, Diploma in Childcare and Education, B.A. Education or Childhood Practice, HNC, Nursery Nursing, Bachelor in Psychology or equivalent)
- English native speaker and preferably basic knowledge of German
- initiative in the implementation of our bilingual concept (immersion method) in cooperation with your German-speaking colleagues
- self-responsibility and motivation
- creativity, organizational skills and a structured approach to work
- enthusiasm and patience while working caringly with young children
- respectful & polite communication with children, parents and colleagues and the ability to work in a team

### What we offer to our native speakers:

- sponsored German courses to help reach level B1
- regular meetings of our native speakers
- plenty of educational material in English
- dedicated in-house coach for native speakers
- AcadeMedia Campus for educational training
- competitive salary with yearly bonus plus benefits

### With heart, appreciation and a system

All of our activities focus on the unique personality of each child, their biography and the possibilities for their development. It is our goal to impart a deep-seated joy of life and a healthy feeling of self-worth.

As part of the leading scandinavian education group AcadeMedia, Joki childcare continually promotes the personal and professional development of employees with heart, appreciation and a system. Our seven high-quality, bilingual day care centres (German/English) have built an excellent reputation with parents and educators alike through our continuous focus on quality and sustainability.

### Our teams are at the heart of Joki.

Join the Joki-team and develop and create your work environment proactively. We are looking forward to your complete application including CV, certificates and possible starting date via email or our website.
